

# Join a Literacy Brigade to El Salvador

Calling students, teachers, and everyone who supports the right to education to help El Salvador's Ministry of Education achieve its goal of eliminating illiteracy!  
(Spanish Proficiency Required)

~Support the work of the revolutionary National Literacy Program

~Learn about the movements fighting for education for all and against corporate control of public services

~Investigate US government "development aid" for education in El Salvador and help us make sure its the people who are really benefiting
