

# WHAT DO YOU NEED TO KNOW ABOUT THE NEW STEM OPT RULE?

Beginning in May 2016, a newly published immigration rule extends and expands Optional Practical Training (OPT) work permission for students in certain Science, Technology, Engineering and Math (STEM) major fields.

- How do I qualify for STEM OPT?
- Is my major on the list?
- What does my employer need to do?

The ISSO will be hosting a series of Town Hall meetings across campus to provide information about the new rule and how to apply.

## STEM OPT Town Hall Meetings

### **Tuesday, March 29, 3:30 p.m.**
