SUBJECT: NCAA Compliance

Boston University supports an intercollegiate athletics program competing within the National Collegiate Athletic Association Division 1 environment where our student-athletes strive for excellence in sportsmanship, scholarship, and service. This affiliation confers a responsibility to follow the extensive rules and regulations of the NCAA. As a member of the BU community, you may have interactions with prospective and enrolled student-athletes that could affect our compliance with these rules.

A brochure, entitled “Compliance Guide for Faculty, Staff, Alumni and Friends 2018-19” (which may be accessed online at the following link: www.goterriers.com/playbytherules), provides basic information and guidance about NCAA rules in a format that highlights common problem areas. Although it does not cover all possible scenarios, it is a helpful primer on the most frequently asked questions.

Please take a moment to review this brochure and use it as a guide to helping the Department of Athletics remain in compliance with NCAA rules. Should you have any questions or need advice regarding specific situations, please contact Director of Athletics Drew Marrochello at 617-353-4631 or bmkane@bu.edu.

Thank you for your assistance in this important matter.
