Job Opportunity:

Harvard-Epworth UMC is looking for a spirit-centered, enthusiastic, and focused individual to lead and develop its Sunday School and children ministries. The position would have responsibility over the church's small, but growing Sunday School and youth program, as well as its nursery and children's church program that takes place during the 11am worship service. We are flexible relative to hours, although it would require approximately 4 to 5 hours on Sunday morning, as well as planning and preparation time outside of the church. Our church is located just north of Harvard Square, across from the Cambridge Common and has an exciting and dynamic ministry.
