

Confirmation of the factorial structure of the Japanese short version of the TEMPS-A in psychiatric patients and general adults [Corrigendum]

Nakato Y, Inoue T, Nakagawa S, Kitaichi Y, Kameyama R,
Wakatsuki Y, Kitagawa K, Omiya Y, Kusumi I.
Neuropsychiatr Dis Treat. 2016;12: 2173–2179.

On pages 2175 and 2177, Figures 1 and 2 were transposed.
The correct version of Figure 1 is shown below.

The correct version of Figure 2 is shown below.

On page 2173, line 2 from the bottom a period (.) should be put after “Hantouche et al”.

On page 2174, right column, third paragraph, references ‘4–14’ should read ‘4,14’.

On page 2174, right column, lines 4–6 from the bottom: “first and then completed the 110-item version of the TEMPS-A after an interval of at least 1 month” should be deleted.

On page 2176, left column, Note of Table 2:

“Note: All loadings and the explained variance by each factor.” should be deleted.

On page 2178, left column, line 3 from the top: the latter “this” should be deleted.

Neuropsychiatric Disease and Treatment

Dovepress

Publish your work in this journal

Neuropsychiatric Disease and Treatment is an international, peer-reviewed journal of clinical therapeutics and pharmacology focusing on concise rapid reporting of clinical or pre-clinical studies on a range of neuropsychiatric and neurological disorders. This journal is indexed on PubMed Central, the ‘PsycINFO’ database and CAS,

and is the official journal of The International Neuropsychiatric Association (INA). The manuscript management system is completely online and includes a very quick and fair peer-review system, which is all easy to use. Visit <http://www.dovepress.com/testimonials.php> to read real quotes from published authors.
