

## Synthesis of biocompatible iron oxide nanoparticles as a drug delivery vehicle [Corrigendum]

Kansara K, Patel P, Shukla RK, et al. *Int J Nanomedicine*. 2018;13:79–82.

The change in the figure does not affect the results published in the paper.

On page 81, the authors have realized they provided the wrong file for Figure 3. The correct figure appears here:

## International Journal of Nanomedicine

## Publish your work in this journal

The International Journal of Nanomedicine is an international, peer-reviewed journal focusing on the application of nanotechnology in diagnostics, therapeutics, and drug delivery systems throughout the biomedical field. This journal is indexed on PubMed Central, MedLine, CAS, SciSearch®, Current Contents®/Clinical Medicine,

Submit your manuscript here: <http://www.dovepress.com/international-journal-of-nanomedicine-journal>

Dovepress

Journal Citation Reports/Science Edition, EMBase, Scopus and the Elsevier Bibliographic databases. The manuscript management system is completely online and includes a very quick and fair peer-review system, which is all easy to use. Visit <http://www.dovepress.com/testimonials.php> to read real quotes from published authors.
