

# Metformin Promotes Beclin I-Dependent Autophagy to Inhibit the Progression of Gastric Cancer [Corrigendum]

Liu S, Yue C, Chen H, Chen Y, Li G. *Onco Targets Ther.* 2020;13: 4445—4455.

The authors have advised affiliation 1 and the correspondence address for Gang Li on page 4445 is incorrect. The correct affiliation and correspondence address should read “Department of General Surgery, The

Affiliated Cancer Hospital of Nanjing Medical University & Jiangsu Cancer Hospital & Jiangsu Institute of Cancer Research, Nanjing, Jiangsu 210009, People’s Republic of China”.

The authors apologize for these errors.

## Publish your work in this journal

OncoTargets and Therapy is an international, peer-reviewed, open access journal focusing on the pathological basis of all cancers, potential targets for therapy and treatment protocols employed to improve the management of cancer patients. The journal also focuses on the impact of management programs and new therapeutic

agents and protocols on patient perspectives such as quality of life, adherence and satisfaction. The manuscript management system is completely online and includes a very quick and fair peer-review system, which is all easy to use. Visit <http://www.dovepress.com/testimonials.php> to read real quotes from published authors.
