

CORRIGENDUM

Risk Assessment for Breast Cancer Development and Its Clinical Impact on Screening Performance in Iranian Women [Corrigendum]

Nikpour M, Hajian-Tilaki K, Bakhtiari A. *Cancer Manag Res.* 2019;11:10073–10082.

The authors have advised that the acknowledgement statement on page 10081 is incorrect. The text “The research reported in this publication was supported by the Elite Researcher Grant Committee under the award number [958741] from the National Institute for Medical

Research Development (NIMAD), Tehran, Iran” should read “The research reported in this publication was supported by the Elite Researcher Grant Committee under the award number [963287] from the National Institute for Medical Research Development (NIMAD), Tehran, Iran”.

The authors apologize for this error.

Publish your work in this journal

Cancer Management and Research is an international, peer-reviewed open access journal focusing on cancer research and the optimal use of preventative and integrated treatment interventions to achieve improved outcomes, enhanced survival and quality of life for the cancer patient.

The manuscript management system is completely online and includes a very quick and fair peer-review system, which is all easy to use. Visit <http://www.dovepress.com/testimonials.php> to read real quotes from published authors.
