

Sturge-Weber Syndrome: A Review of Pathophysiology, Genetics, Clinical Features, and Current Management Approache [Corrigendum]

Sánchez-Espino LF, Ivars M, Antofñanzas J, Baselga E. *Appl Clin Genet*. 2023;16:63–81.

It has come to our attention that there is an error in the paper title on page 63, the title “Sturge-Weber Syndrome: A Review of Pathophysiology, Genetics, Clinical Features, and Current Management Approache” should read “Sturge-Weber Syndrome: A Review of Pathophysiology, Genetics, Clinical Features, and Current Management Approach”.
