CORRIGENDUM

Long Non-Coding RNA TRG-ASI Promoted Proliferation and Invasion of Lung Cancer Cells Through the miR-224-5p/SMAD4 Axis [Retraction] [Corrigendum]

Zhang M, Zhu W, Haeryfar M, et al. Onco Targets Ther. 2020;14:4415-4426.

We, the Editor and Publisher of the journal *OncoTargets and Therapy* wish to notify readers that the office for the Vice-Dean of Research and Innovation, at the Schulich School of Medicine & Dentistry, Western University contacted the journal. They have confirmed that the co-author, Dr Mansour Haeryfar, has demonstrated he had no role in the research included in this publication, nor was he informed of its submission.

Furthermore, his communications with the remaining co-authors prior to the paper's retraction received no response. In addition, the journal wishes to advise readers that the Email address provided for Dr Haeryfar at submission was not associated with Dr Haeryfar and was used to confirm his authorship without his consent.

This correction has been issued to uphold the integrity of academic authorship.

OncoTargets and Therapy

Publish your work in this journal

OncoTargets and Therapy is an international, peer-reviewed, open access journal focusing on the pathological basis of all cancers, potential targets for therapy and treatment protocols employed to improve the management of cancer patients. The journal also focuses on the impact of management programs and new therapeutic agents and protocols on patient perspectives such as quality of life, adherence and satisfaction. The management system is completely online and includes a very quick and fair peer-review system, which is all easy to use.
