

EXCEPTIONAL CARE. WITHOUT EXCEPTION.

## **Boston Medical Center Administrative Fellowship Program**

### **Information Session**

**Wednesday, October 23<sup>rd</sup>, 5:00 – 5:50pm**

**Location: Career Center, Talbot 113 East**

**Space is limited. RSVP via SPH CareerLink.**

The BMC Administrative Fellowship is a one-year administrative program which provides exceptional health care management and leadership training to individuals at New England's largest safety net hospital. Fellows have an opportunity to:

- Engage in the complexities and functions of a large academic and community-based medical center having unsurpassed exposure to a large, diverse patient population.
- Become qualified in areas such as corporate structure, capital finance, operations and system-wide strategic planning through project-based learning.
- Focus on a variety of assignments tailored to their background and further define their areas of interest.
- Expand their skills as they build a meaningful career – one that will impact the way in which modern health care is delivered.

**Join current administrative fellows Kristen Apa, SPH '12 and Alexandra Yurkovic to learn more about the program, a "day in the life" of a fellow, and tips for success in the application process.**

**Deadline to apply: December 1, 2013.**
