## GIJS VAN SEVENTER ENVIRONMENTAL HEALTH SEMINAR

---

# ***Does Eating Better Food Improve Nutrition? Complex Answers to Apparently Simple Questions***

**SPEAKER:**

**Patrick Webb PhD**

*Friedman School of Nutrition Science and Policy at Tufts University  
Director USAID's Feed the Future Nutrition Innovation Lab, Asia*

**Seminar on the multidirectional linkages among food systems, health, diets and nutrition. It will illustrate new findings on how measures of diet diversity or adequacy do not always proxy well for good nutrition, how obesity is growing in even low income rural areas, why it is hard to measure urban diets, and where food systems need to be in 2025 to hopefully meet new Sustainable Development Goals.**

**FRIDAY, APRIL 3**

**12:45 - 1:45 pm**

**BU Medical School Instructional Building, Room L112**

**Boston University** School of Public Health  
Department of Environmental Health
