

POVERTY, INC.

FIGHTING POVERTY IS BIG BUSINESS

BUT WHO PROFITS THE MOST?

FILM SCREENING AND DISCUSSION

*Hosted by Community Health Sciences, Global Health,
& the Questrom School*

Poverty, Inc. examines the multibillion dollar industry of international charity and aid through the eyes of local entrepreneurs and working parents. It unearths an uncomfortable side of charity we can no longer ignore and asks the tough question: Could we be part of the problem?

After the film, Professor Bruce Larson will lead us in a brief discussion and Q&A. Refreshments will be provided.
