

Overview: Music is central to worship and congregational life at Community UMC. The Choir Director joins an outstanding musician to provide musical leadership to the choir and congregation in our blended worship service. The Choir Director leads the choir at weekly, 90-minute rehearsals, in worship on Sunday mornings and on other special days. The Choir Director is a part of the planning and leadership team, participating with other staff and volunteers to design services and select music that reflects the choir's capabilities and expresses the congregation's heart and soul as praise. This approximately 5 hour/week/42 weeks/year (September through June) position can also be combined with the position of Director, Children's Choir Director for the right candidate. For additional information, please contact: Sara Herwig, Office Administrator, at 508.653.0577 or [cumcwayland@verizon.net](mailto:cumcwayland@verizon.net) .
